## Instructions for Filing a Sales Tax Return for the Purchase of a Business

1. Complete the “Sales Tax Return for the Purchase of Business Assets” form. ALL fields must be completed unless you do not have the information that has been requested. If you need additional space for completing the form, please attach additional sheet(s) of paper.
2. Under the “Purchase and Sales Tax Calculations” section:
  - The “Total Purchase Price of Business” is the full amount paid for the business. The full amount paid should equal the amount stated in the Purchase Agreement.
  - The “Price/Value of Business Property” is the total amount that was paid for tangible personal property assets. (Examples would include items like cash registers, shelving, scales, machinery, tools, ice makers, ovens and appliances, furniture, non-disposable dishes and service wear, utensils, linens, etc.) Tangible personal property assets do not include inventory that is intended to be resold to the public in the course of regular business.
    - If the sale or transfer is a “lump-sum” transaction, the sales tax is due on the book value of the tangible personal property assets;
    - If the items purchased are being placed on a depreciation schedule for Federal and State income tax purposes, then the “Price/Value of Business Property” amount reported to the City should be the greater of the property price included in the purchase agreement OR the original cost amount placed on the depreciation schedule.
3. Please provide a complete description of the property items included on this return. If necessary, attach to this return a separate listing or exhibit of the purchase and sale agreement that lists the property purchased.
4. The City requires that a full copy of the sale and purchase agreement be provided in addition to filing the tax return.
5. A “Sales Tax Return for the Purchase of Business Assets” must be filed even if no tax is due.
6. After calculating the full amount of tax due, including penalty and interest if applicable, please make payment to:  
City of Centennial  
Processing Center  
P.O. Box 17383  
Denver, CO 80217-038
7. Please contact the Sales/Use Tax Division at 303-325-8000 if you have any questions while filing the return.
